Life on KNEAD Farm

KNEAD Farm is located 4 miles east of Stamford in the village of Tallington. KNEAD owner Michael Thurlby's family have lived, farmed and milled in Tallington for 6 generations.

The 250 acre farm is now home to a herd of Lincoln Red cattle and a flock of 400 crossbred sheep whose primary purpose is to provide the highest quality meat, that is fully traceable, to our pubs.

We are proud of our welfare standards, sustainability and food miles and are currently in the process of registering for Red Tractor status. We can fully trace all our meat through every process, ensuring that it is reared and treated to the best of standards and therefore, when it gets to your plate, it is as tasty as we can possibly make it.
